## NEED OF KINDNESS

SELF-POSSESSION IS THE SU-PREME TEST OF A NATION'S METAL.

Mr. Wilson Urges The Congress of George M. Glenn, of Raleigh, Issues Daughters to Rally to the Cause of Righteousness.

Washington.-The need of self-possession, calmness and a judicial temperament by the United States in the present world crisis was urged by President Wilson in a speech before the opening session of the twentyfourth Continental Congress of the Daughters of the American Revolu-

The president said self-possession was the supreme test of a nation's mettle, and urged the Congress to rally to the cause of righteousness, as ministered by those who hold their minds quiet and judge upon principle.

Following the president's speech Ambassador Jusserand of France told the Congress that the United States had behaved in he European crisis so as to command the gratitude and thankfulness of the world.

"We in France," he said, "have learned to know what the American heart is made of-the pure American gold that is in it. I am glad that I may affirm the thanks of France for the generosity of America—the neutral United States."

The ambassador said the "chief question in the European struggle." was the same problem that confronted America in revolutionary said. "But it again confronts us. It in former times, as it was solved in the trenches at Yorktown."

The president in his speech declared that he could speak only in general terms and that it was "indiscreet" for him to speak even in that way. John Hays Hammond, R. C. B. Thurston, president-general of the Sons of the Revolution and John Barrett, director-general of the Pan-American Union also spoke.

ROOSEVELT-BARNES TRIAL. Jury For \$50,000 Libel Suit is Com-

pleted. Syracuse, N. Y.—The jury which will try William Barnes' \$50,000 suit for alleged libel, against Theodore Roosevelt was completed in Supreme court here. It comprises seven Republicans, three Progressives, and two Democrats. Twenty-two talesmen were examined before both sides announced

that they were satisfied with the 12

men in the box. The jurymen are: Henry Hoag, clerk, Republican (foreman); Irving J. Mills, woodworker, Republican; Walter J. Zuill, manager, Republican; Franklin S. Rhoades, farmer, Progressive; Leonard K. Hungerford, painter, Progressive; F. W. Pierce, carpenter, Republican; Warren H. Somers, grocer; Republican; Ray Tanner, farm hand, Democrat; John W. Brown, farmer, Republican; George Boschert, manufacturer, Progressive; Edward Burns, motorman, Republican; Peter Bencke, coal dealer, Democrat.

Immediately after the jury had been completed, counsel for Colonel Roosevelt made a motion to dismiss the complaint against their client on the ground that allegations made in the statement on which the sult is based Mr. Barnes and Charles F. Murphy as were privileged and that in naming the controllers of "rotten government i n the state of New York, he did not | Clark. mean anything personal or to imply that either of the two men named had in any way profited by the alleged "rottenness."

Abarno and Carbane Sentenced. New York.—Frank Abarno and Carmine Carbone, the anarchists who set a bomb in St. Patrick's Cathedral March 2, were sentenced to not less than six years nor more than 12 in Sing Sing. Abarno and Carbone were found guilty by a jury last week.

Sharp Fighting Occurs.

London.-Activity along the westrather than a general offensive. Ar tillery duels have taken the place of hand-to-hand fighting, which has been the feature of the recent struggle along the Meuse and near the Lorraine border, but the latter type of combat continues in the Vosges, where the official statements agree sharp fighting is taking place on German territory. The French and Germans both claim success.

JUDGE DANIELS WILL PASS ON TEST CASE OF NEW PROHIBI-TION STATUTE.

#### OPENING SESSION OF D. A. R. TRY TO COMPEL DELIVERY

Mandamus Proceeding Against the Express Company.

Raleigh.-Judge Daniels is to pass on the constitutionality of the quart liquor law passed by the recent legislature, the hearing on a mandamus proceeding to compel transportation and delivery by the Southern Express Company of one gallon of whiskey from Richmond being set for April 26. In this case the constitutionality of both the recently enacted quart law in this state and the Webb-Kenyon act of Congress are intended to be ultimately involved as to their constitutionality as the prosecution of the case progresses through the state and most probably the United States courts.

George M. Glenn of this city ordered a gallon package of whiskey from a Richmond house and theexpress company refused to receive it for transportation, there being with the package as tendered a statement that Glenn intended to receive it in Raleigh for his own personal use.

The mandamus proceeding as instituted here through Murray Allen, as counsel for the plaintiff, attacks both the regulations that the Southern Express Company has adopted for the making of shipments into North Carolina of whiskies and the provisions of the new North Carolina wheat and makes the best bread, cakes times. "We thought we had solved law itself. It is insisted that the exthe problem of human liberty," he press company regulations invade the constitutional rights of the individual will be solved now just as it was solved to an extent beyond anything that could be required through the provisions of the new North Carolina law. Furthermore there is insistence that the act itself invades the rights of the individual under the State Constitution as to personal liberty guaranteed in Article 1, Section 1 and Article 1, Section 17, as to disseizing a citizen of his personal privileges without due process of law.

"COUNT" TOO ABSENT MINDED

Principal Reason Why One International Marriage Wes Permanently Called Off.

Henry P. Davison of the Morgan banking firm was talking about international marriages.

"Well," he said, "I know of one international marriage that failed, thank goodness, to come off. The girl was the daughter of a Paint Rock millionaire. The man was a count, a Spanish count.

"The count was absent minded. That was his undoing. The girl's father gave a dinner for him in the Paint Rock castle over looking Paint Rock, and at the dinner's end the count got up to light a cigarette, and then, by jove, started to remove the plates.

"The guests watched him in an open-mouthed silence. His napkin slung over his arm, he had got nearly all the plates removed when his millionaire host said to him gently:

"'Wake up, George. You're not waiting in the beanery now, you know. You're pretending you're a east of the Rocky Mountains by the count in Paint Rock. Wake up, man, for gracious sake!'

A FOOD DRINK Which Brings Daily Enjoyment.

A lady doctor writes:

"Though busy hourly with my own affairs, I will not deny myself the pleasure of taking a few minutes to tell of the enjoyment obtained daily from my morning cup of Postum. It is a food beverage, not a stimulant like coffee.

"I began to use Postum 8 years ago; not because I wanted to, but because coffee, which I dearly loved, made my nights long, weary periods to be dreaded and unfitting me for business during the day.

"On advice of a friend, I first tried Postum, making it carefully as suggested on the package. As I had always used 'cream and no sugar,' I mixed my Postum so. It looked good, was clear and fragrant, and it was a her coffee to look. Tike a new saddle.
